

## **Kindred Spirit Steel Drums – Instrument Payment Plan**

By filling out and signing this document you are agreeing to allow Kindred Spirit Steel Drums to hold your money in trust as payments towards an instrument, until the full instrument amount (which includes all applicable taxes, shipping costs if needed and any other associated costs as defined in this contract) has been received. Kindred Spirit Steel Drums will not remind you about making payments. Payments are made completely at your discretion when you are able. Payment amounts cannot be refunded without cancelling the entire payment plan.

Cancelling this payment plan at **anytime** will result in a **10% administration and filing fee** on funds already received.
