

Thank-You First Nations

Warmest Greetings,

At Kindred Spirit Steel Drums we are working to give back in all ways that we can. Our business was founded on unceded Coast Salish territory, and we have the utmost respect for the people and cultures who came before us, and whose land we dwell on. We do our best to understand the privilege we have had to be part of their community, and strive to manage ourselves in a way that aligns with the values and perspectives needed for reconciliation.
